
We are trying our very best to win you over to the cause of those who have next to nothing, and we implore you to join us in bringing a ray of hope into the lives of destitute human beings, forced to live in inhuman conditions.

As every day brings us a step closer to eternity, we need to remind ourselves that of all the things that we have accomplished during our earthly pilgrimage, the only ones we can take from this life is our love for God and the good we have done to others. To help people who in no way can repay us materially, socially or politically, that's the true measure of our charity.

And our giving is all the more pleasing to God if it is not fenced in by racial, religious or geographic restrictions. He cherishes and rewards all our good deeds, but what must be extra special to His Heart is the kindness we extend to His suffering humanity.

On behalf of hundreds of heroic missionaries and the tens of thousands of poor in their care, we extend our profound gratitude for your kind consideration and ask Jesus, the Poor by excellence, to bless and take very good care of you and your loved ones, living and deceased.
